

The Wall That Heals is a program of the **Vietnam Veterans Memorial Fund (VVMF)**, the nonprofit organization that built the Vietnam Veterans Memorial in Washington, D.C. It is the only traveling exhibit affiliated with The Wall and features the largest replica of the Memorial that travels the country.

In **August 2026**, The Wall That Heals will come to **Taylor, Michigan**, offering our community a powerful opportunity to honor the more than **three million Americans who served in the Vietnam War** and to remember the **58,281 men and women whose names are inscribed on The Wall**. The exhibit includes a three-quarter scale replica of the Memorial and a mobile Education Center with historical exhibits, veteran recognition programs, and guided tours. The event will be **free and open to the public**.

This meaningful experience is made possible through the **support of community sponsors**. Sponsorship provides important visibility through event signage, printed materials, digital recognition, and on-site acknowledgments, while directly supporting the costs of bringing The Wall That Heals to our community. A summary of sponsorship levels and benefits is outlined below.

We invite you to join us in honoring Vietnam veterans, supporting remembrance and education, and helping make this historic visit possible.
